

1. Download the RxLocal app by searching **RxLocal** in the app store (both apple or android) – **OR** – use your cell phone to text **RXLOCAL** to **64890**
2. Once in the app store find the **RxLocal app** and download the app

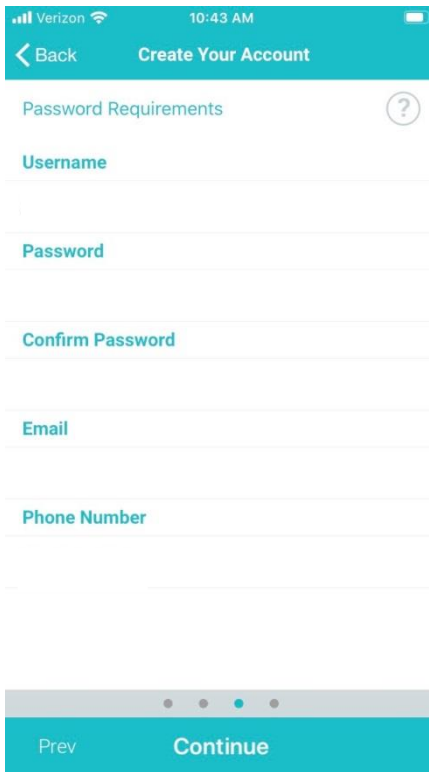

3. Once the app is downloaded – open the app and tap **Register for an Account Now** at the bottom of the screen

4. Enter your **Last name**
5. Enter an **Rx Number** from your Rx Profile. This is how the app links you to a pharmacy.
6. Enter your **Date of Birth**
7. Enter your **ZIP Code**
8. Tap **Continue** at the bottom of the screen

9. Scroll down to read the Terms of Use and then tap **Accept**

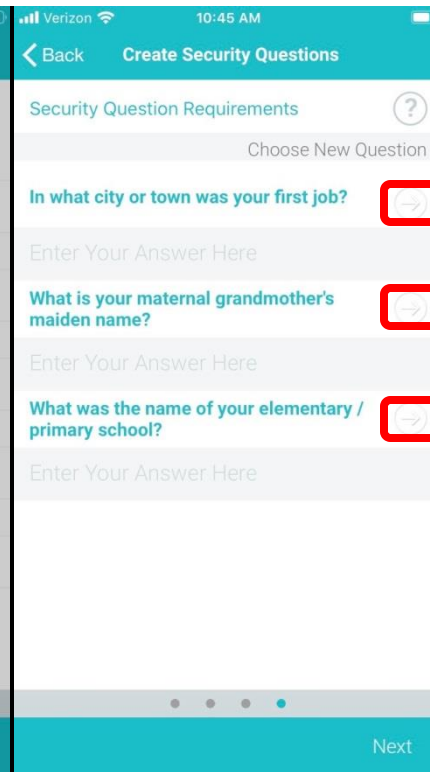

- 10. Create your **Username**
- 11. Create your **Password**
- 12. Confirm your **Password**
- 13. Enter your **Email**
- 14. Enter your **Phone Number**
- 15. Tap **Continue**

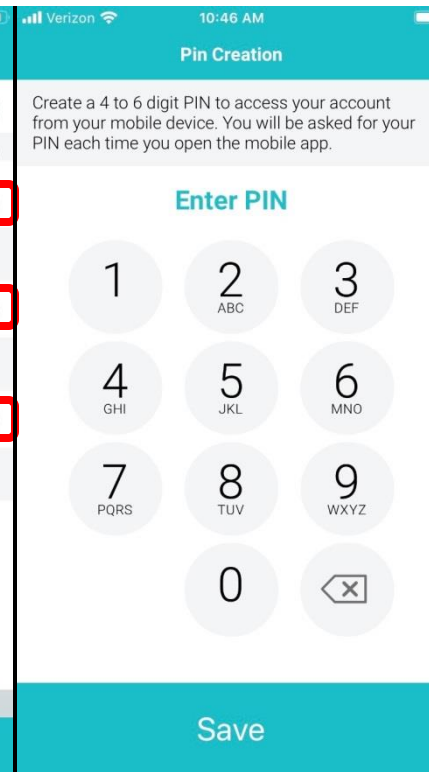

Passwords must be: **9 or more characters**, contain at least **1 lowercase** and **1 uppercase** letter, **1 special character**, and **1 number**

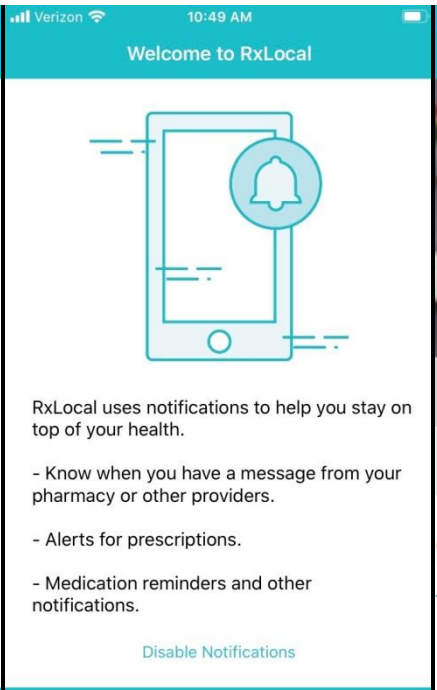

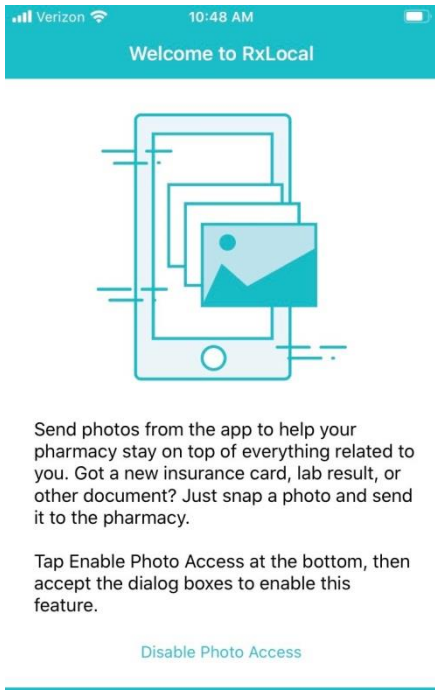

If you receive this error message it means that the **Username** that you created is unavailable.
Please create a different **Username**.

- 16. Create 3 security questions by selecting questions and **typing in YOUR answers to the questions**.
- 17. You can select from a list of security questions by tapping the arrow (highlighted by **red box**) next to the question.
- 18. Tap **Next**

- 19. Create a **4-6 digit PIN** to access your account.
- 20. The app will ask for your PIN number everytime you open the app.
- 21. Tap **Save**

Enable Photo Access

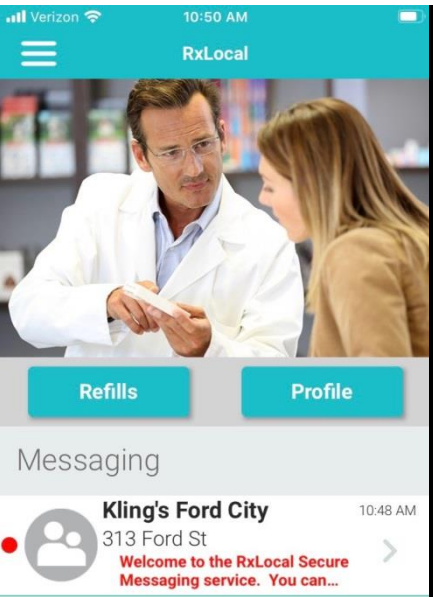

Enable Notifications

22. If you would like to be able to take photos within the app and share with the pharmacy – tap **Enable Photo Access**.

For example, you could take a photo of your new insurance card and send it to the pharmacy.

23. To enable notifications from the app – tap **Enable Notifications**

It is very important that you enable notifications because this is how the pharmacy will be able to communicate with you through the app.

Congratulations!

You have successfully downloaded and enrolled in RxLocal at Klingensmith's!

Please take some time to get familiar with the app's features. For example:

- *Communicate with your pharmacist through the **HIPPA secure texting feature***
- *Submit a refill request*
- *Set medication reminders*
